BEHAVIORAL HEALTH

The Behavioral Health Services Department (BHS) Serves the Pueblo Tribal Members of Sandoval County as well as the local communities of Bernalillo and Rio Rancho to provide needed therapeutic services to children, adolescents, adults and elderly clientele. The BHS team works with each individual to assess and understand their needs and then develop an appropriate plan to work towards healing in their life. Through strong coordination efforts as a Community-based provider, the BHS can effectively meet the mental health and/or substance Abuse needs of every client who seeks services

Services

- Mental Health Counseling for children adolescents, adults, couples and families
- Substance Abuse counseling
- Group therapy
- Case Management
- Mental Health Assessments
- Drug and alcohol assessments
- Psychoeducation
- Domestic Violence classes

CHR

The Community Health Representative (CHR) program works to advance the health of the Pueblo of Zia community by working to improve their access to quality and culturally competent health care services.

Services

- Health Education
- Case Fine & Screening
- Patient monitoring
- Direct Patient Care
- Home Visits/Homemakers Services
